

Elvina Fazullina

Senior Product Designer

elvinaaa.fazullina@gmail.com • elvinadesigner.com

PROFILE

Product designer with 5+ years of experience designing and growing B2C products, from early research and zero-to-one launches to subsequent growth. I lead a team of three designers, reviewing user flows, interaction details, and visual consistency, helping the team resolve design issues before developer handoff.

EXPERIENCE

Senior Product Designer — Thinkabout LTD

Jan 2021 – Present

- Launched [Car Play Sync & Connect](#) from scratch, reaching **200K MAU**. Refined the add-car flow based on early testing and moved first-car setup into onboarding, increasing **subscription conversion by 15%**.
- Increased **retention by 1.8 percentage points** by introducing document storage in [Car Play Sync & Connect](#).
- Optimized [Reflex & Reaction Time Test](#) by updating its visual language, screen structure, and game mechanics, **increasing average session duration by 9% and MAU by 29%**.
- Introduced a post-paywall upsell flow with gamification in [Scales Grams](#), **increasing ARPPU by 8%**.
- Defined the app structure and core user flows for AI Home Remodel from scratch, established a foundational design system, and set up a collaboration workflow with frontend developers to integrate personalized AI features.

Mobile Designer — Freelance

Jul 2020 – Jan 2021
